

Important Information

WHAT TO BRING:

Bedding: pillow & sheets, blankets, or sleeping bag.

Class Items: BIBLE, notebook, pencils.

Toilet Articles: soap, washcloth, towels, comb, shampoo, toothbrush and paste, insect repellent.

Other Possible Items: writing paper and envelopes, stamps, flashlight, camera, sunscreen, ballglove, musical instrument, sheet music. Do not bring food or drinks or secular music.

Clothing: Bring clothes to worship in and clothes to play in. Bring a jacket as it may be cool during the evening. Bring a modest swim suit (no two-piece swim apparel for girls).

Include some shoes that are suitable for running/playing (tennis shoes, etc) as well as for pool-side (flip-flops, etc). It's best to label all your items with your name.

VISITORS: You are welcome to visit, but please don't pull the campers away from their activities. If you want to eat with the campers, there will be a charge of \$5.00 per meal. Make reservations with the cook and pay the camp Dean.

LEAVING: Interruptions (i.e. leaving and going to non-camp activities) take away from the spirit of the camp. If a camper must leave, be sure to let the Dean know.

MAIL: Receiving mail is a high point of the day for many campers! It is probably only practical for the full-week camps.

Address mail to: [Camper name]

TELEPHONE: Campers are usually not allowed to hold on to their cell phones. Our staff can take a message if necessary. The camp phone number is (270) 354-8808.

We invite you to OVCC's camping program—a special time of true fellowship with God. This summer we again are planning for 2nd through 9th grades in one combined week, with separated classes for the different age groups.

Here are some things you will need to know in order to make your stay as inspiring and enjoyable as possible.

Please Pre-Register!

Campers who pre-register **BY JULY 2** will receive a free T-shirt. After the pre-registration deadline, a T-shirt will cost \$10, available only while supplies last.

Please....if you can register even earlier, that will help our pre-camp planning. If pre-registration is too low, a camp or class may be cancelled. On the other hand, camp occupancy is limited by Health Department and Fire Marshall regulation, and it's first-registered, first-accepted in case the limit is reached.

The registration form must be completely filled in and signed by parent. **BE SURE TO INCLUDE ANY NECESSARY MEDICAL INFORMATION** along with the name of your insurance company and policy number. **SEND TO:**
