## Renting the facilities

Outside of our summer camping program, the facilities of O.V.C.C. may be rented by church and school groups. A separate Rental Policy brochure describes more fully the rental procedures, and includes a reservation form. Contact the Camp Use Coordinator (address inside) or download the brochure if this is of interest.

Briefly, our cost structure for rental is the following: \$5 per person for day use only (no dorm use); or \$8 per person for day and overnight use; except 6 and under, \$4; there is a \$50 per day minimum fee.

A maximum of 50 persons can be housed in the dorms. Electrical and water connections are available for two camper trailers.

## Camping with the Master

O.V.C.C. is like a world apart--it's a quiet campground on 47 acres of secluded wooded hills in rural western Kentucky.

Consider what O.V.C.C. offers!

Rev. April 2018
